MATERIALS ENGINEERING CAMPSM

LETTER OF RECOMMENDATION

An editable PDF of this form can be downloaded from the ASM website below.
You may type information directly onto the form before printing.

www.asm-afs-peoria.org

This form is to be completed by a high school teacher or someone else familiar with the applicant's academic and career interests. High school students will be attending a week-long ASM Materials Engineering Camp, where they will participate in hands-on workshops and work on team projects in various materials labs in the Peoria area. Please indicate your assessment of the student's preparedness, maturity, and overall likelihood that they will successfully participate in this camp.

Student applicant:

Name of reference:

Organization: Position:

Phone: Email:

How did you get to know the student (please be specific):

Class:

Extracurricular activity:

Other (please specify):

Comment on the applicant's aptitude and interest in math, science and engineering:

Please write a short statement about the qualities that make the student a good candidate. This may include a student's ability and eagerness to learn, participation in class or group activities, aptitude for hands-on work, creativity and/or problem solving skills. You may write in the space provided below or on an additional piece of paper.

When completed, please either: 1) Seal your letter of recommendation in an envelope, sign your name across the sealed flap, and return it to the student; **OR** 2) Email the completed Letter of Recommendation directly to Anthony Wilshire at Wilshire_Anthony_S@cat.com. Work with your applicant to ensure that both the Application and Letter of Recommendation are received before **June 17, 2013**.
