

“Corrosion Phenomena and Methods of Prevention”

Educational Seminar Series

Sponsored by the Peoria Chapter of ASM

Hosted by Caterpillar Inc.

Learn about corrosion fundamentals, testing and prevention methods from a leading industry expert. Special topics will cover combined chemical/mechanical effects including corrosion-wear synergy, corrosion-assisted fatigue, hydrogen embrittlement and stress-corrosion cracking.

March 3rd 8:00 am to 4:30 pm
(registration starts at 7:15 am)

TCA Auditorium

This educational opportunity is being made available to all who are interested at the ASM subsidized price of **only \$10**

To register, contact Bob Bierman (Bierman_Bob@cat.com or 309-494-2588) in Production Center of Excellence
